

Catalogue

A JSC «Murmanskiy tarniy combinat» is a production company with 90 years of experience in manufacturing packaging from tin and cardboard. The modern production complex allows us to produce unusual, bright, colorful tin packaging for different industries. The priority area of activity is tin box for candy, tea, coffee, souvenir, alcohol, perfume products, canned goods and preserves. Packaging manufacturing technology includes a full production cycle, from pre-printing preparation of the customer's design layout to the release of the finished batch and its delivery to the buyer's warehouse.
